'Don't Bring Evil Money To Zion Ministry'

● Evang Ebuka Obi cautions ritualists, kidnappers, prostitutes

By Precious Ndunwere

People involved in such sinful activities as ritual killing, robbery, kidnapping, "yahoo-yahoo" and prostitution have been asked to desist from giving their ill-gotten money as offering to God as that would attract divine wrath to them.

The Spiritual Director of Zion Prayer Movement Outreach, Evangelist Ebuka Obi, said such individuals should keep their evil money away from Zion ministry, and repent of their sins before it would be too late.

Evangelist Ebuka gave the warning

while speaking in Lagos during a Sunday service.

According to him, this is the auspicious time for sinners to give their lives to God as changed persons instead of remaining in their ungodly lifestyles.

He noted that God created all of us in his own image and does not have plans for anybody to perish without fulfilling their destinies.

The Evangelist stated that the doors of Zion ministry is ever open to receive all manner of sinners who are willing and ready to forsake their sinful life and embrace Jesus Christ.

According to him, Zion ministry has,

over the years, continued to welcome and even empower many of such sinners, including cultists, robbers and prostitutes, who have repented and renounced their bad lifestyle.

Native doctors, occultic agents, and even killers who repent are automatically rehabilitated, he further said.

Evangelist Ebuka, therefore, frowned at those who falsely believe that with their ill-gotten wealth and offerings, they would attract the favour of God, adding that they would instead receive the opposite of their desire.

ZPMO Unveils 2025 Programme Dates

By Precious Ndunwere

The Zion Prayer Movement Outreach (ZPMO) has unveiled its programme for 2025.

According to the details of the programmes announced by the Spiritual Director of ZPMO, Evangelist Ebuka Obi, the daily Angelus commenced on January 1, while the 21-day Fasting and Prayer of Zion which began on January 20 will be concluded on February 9, 2025. The closing ceremony will be held in Lagos.

The annual 100-day Fasting and Prayer will start on July 5 and end on October 12 with the crusade scheduled for the headquarters of ZPMO in Ngor Okpala, Imo state, Nigeria.

This event will be followed by the annual Birthday celebration of Evangelist Ebuka Obi and his twin, Engineer Chinweike Obi, planned to take place on October 19 in Lagos State.

The annual "Odeshi" programme of Zion Ministry will hold from December 12 to 14, 2025, to be rounded off at the Lagos centre of the ministry.

'Pastors, Men Of God Collecting Money For Prayers Are Fake'

By Kenneth Madueke

The Spiritual Director of Zion Prayer Movement Outreach (ZPMO), Evangelist Ebuka Obi, has described servants of God, pastors and priests who ask for and receive money or material gifts before praying for those in need as fake servants of God.

He insisted that no authentic man of God would charge you money to pray for anyone and anything.

In this words, "The Bible says by their fruit you shall know them. When a man of God will be telling you fetish things or will be after money or saying bring money let me pray for you or do work for you, that person is a native doctor in disguise".

He noted that the Bible says, "test every spirit. If you go to a church where the spirit of God dwells, you will know".

Genuine Christians, he continued, should beware of such fetish people who claim to be servants of God, adding that there are always signs for careful people to know the fake ones.

"They will tell you to bring money to buy spiritual materials. That is a native doctor in suit or cassock", he further said.

In such churches and miracle centers, those fake pastors would even tackle you to make you fall on the ground instead of calling down the anointing to do that.

"They will tell you to pay tithe for even

the baby in your womb and make you sow seed after seed. They are the ones that will tell you the amount that you will sow. They are the ones that will tell you how many bags of cement that you will bring. That is the evidence of being fake because Jesus Christ never tasked people", the Evangelist elaborated.

In Zion ministry, the difference is clear, as we do not even call for any support unless we have a project to carry out, he stated.

"There is nothing I will do for those that come out to support us financially that I will not do for those that don't come out. It is not by force. I don't treat those that are supporting differently, Evangelist Ebuka concluded.

ZPMO Unveils 2025 Programme Dates

Continued from page 1

On December 31, 2025, the annual Crossover Programme will take place at the headquarters of the ministry in Ngor Okpala, Imo State.

Meanwhile, the normal weekly schedules of ZPMO, including the Tuesday and Wednesday programmes, resumed after the New Year. The Night of Open Heavens and normal Sunday service had gone on as usual during the Yuletide and New Year.

Zion South East Region Holds First Revival Crusade

By Bridget Chigbufue

The Zion South East Region which comprises Anambra, Imo, Abia, Enugu, and Ebonyi states recently organised their first ever Regional Crusade themed "Break Camp and Advance". The event took place at the proposed Zion City, Ngor Okpala, Imo State, on Saturday 1st and Sunday 2nd February, 2025.

This was in response to the mandate by the Spiritual Director, Evangelist Ebuka Obi, for Zion Branches worldwide to work to realise the vision of the ministry for 2025 which is "Evangelism" both as individuals and as groups.

Zion City ground at Ngor Okpala was filled to the brim with thousands of Zionites who arrived in many luxury buses from neighbouring states like Delta, Abia, Enugu, Ebonyi, Anambra and Rivers. Even Lagosians were also in attendance. This was an exciting move by Zion Ministry as it was an avenue to bring together and unite various branches, their Admins and their members who had just returned from the holidays.

The programme began with praise songs by singers from the different branches, powerful testimonies of "Prophecy With Instant Solution", after which Bro Chigbo delivered a mindset-changing ministration in which he encouraged everyone to return to God.

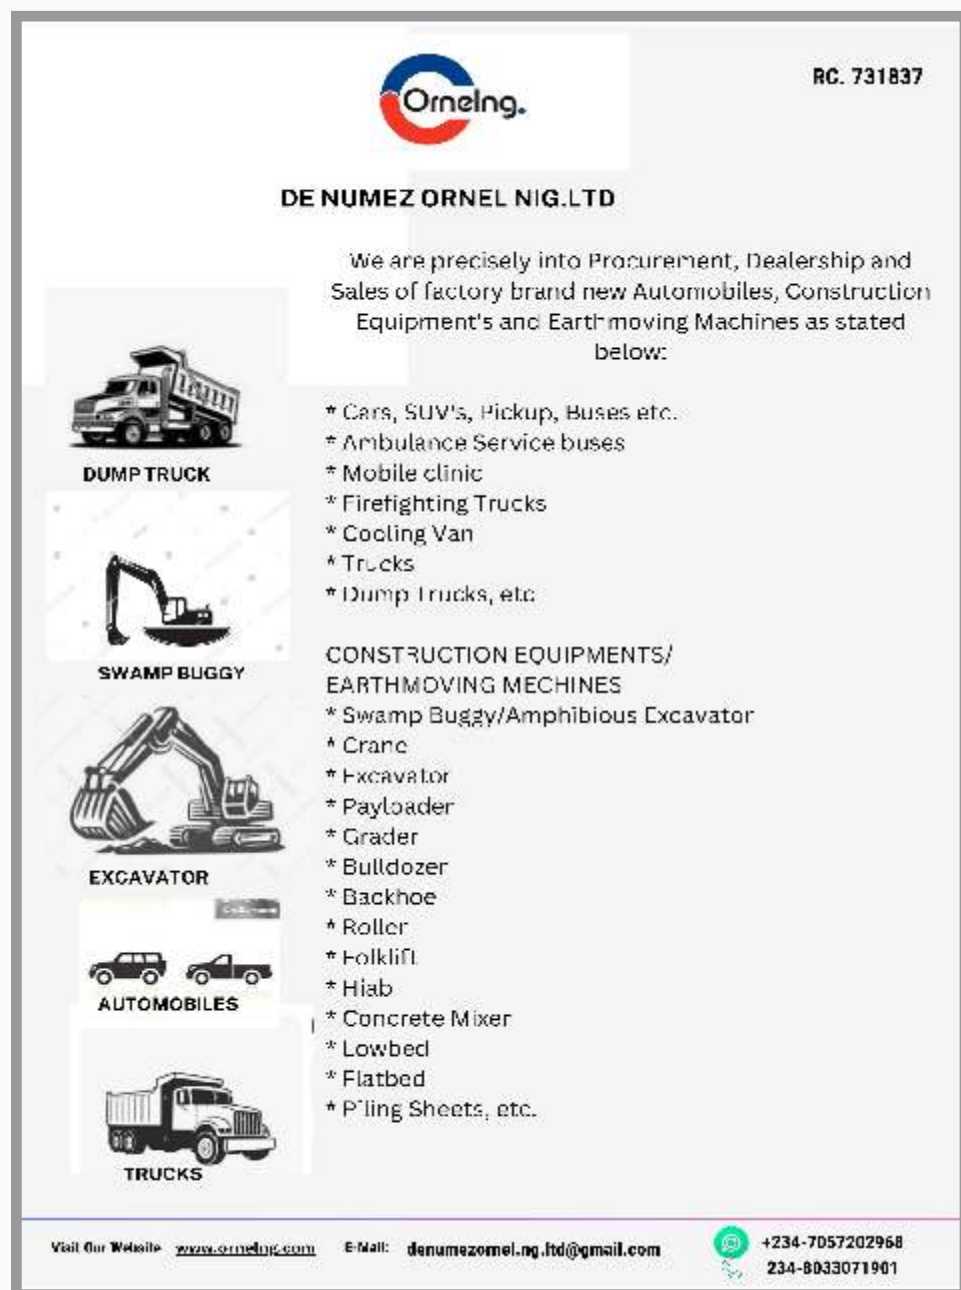

Day One also featured an inspirational performance by Gospel artist Chinyere Udoma Who never fails to show up and get Zionites dancing excitedly on their feet.

The Prophet, Evangelist Ebuka Obi, also ministered virtually, and as he prayed and gave prophetic declarations, many fell under the anointing which showed that distance is not a barrier for God to heal and deliver his children from every kind of bondage. He promised to return the next day to close the crusade.

Day Two began with the ministration by Bro. Kanayo, fondly called ZION Voice, and Sister Chinonso, both of who came from the Lagos Branch to show solidarity for an event of that magnitude. The second minister in attendance, Brother Jude Asogwa, gave a spirit-filled teaching on ways to activate one's master key and how to have a stronger relationship with God.

As promised, the Prophet called in from Lagos to close the South East Crusade, encouraging all present to take the work of God seriously. He urged them not to relent in loving God and Zion Ministry, and prayed for journey mercies upon them.

Work is currently going on at a fast pace at Okpala, with fencing and other construction projects being done in preparation for this year's 100 days crusade which will be held there in October.

Three convicted for impersonating Ebuka Obi to defraud Zion members

The Benin zonal Directorate of the Economic and Financial Crimes Commission (EFCC) recently achieved the conviction of three young men for impersonating the Spiritual Director of Zion Prayer Movement Outreach

Evangelist Ebuka Obi, to defraud members of the public.

The three men, Odion Victor, Amos Godwin and Ayomide Michael, were arraigned at the Edo State High Court in Benin by EFCC for

impersonating the Evangelist on the social media.

They had created social media platforms in the name of Evangelist Ebuka and deceived many members of the public to give money

towards treatment of some purported sick people, sow seeds for spiritual breakthrough or for special prayers. They were also directing the members of Zion Ministry to pay the money into bank

accounts created by the trio.

Hon. Justice G.O. Madegbelo who presided over the case found them guilty of the charges and thereafter sentenced them to Community Service.

Justice Madegbelo also ordered them to forfeit their mobile phones, the balance in their bank accounts "being proceeds and instrumentality of crime to the Federal Government of Nigeria through the Economic and Financial Crimes Commission."

FLASH BACK

Odeshi: Another testimony galore in Lagos

BY Prsica Ikebude

Odeshi programme remains an unforgettable historical date in the calendar of Zion Prayer Movement Outreach (ZPMO). The annual event officially marks the end-of the -year's activities for the inter-denominational Ministry with exponential membership growth. Zionites and intending members usually look forward to the date which held between December 13 to 15, 2024.

Though it took place in Zion Estate, Ago Okota Lagos, the attendance to the event exceeded public expectations. Records put the figure above 2.3 million Zionites and hopeful ones who defied hard economic situations in the country to physically converge in Lagos to tap into the abundant godly blessings from the respected evangelist Ebuka Obi

PARTICIPANTS AND OBSERVATION

The participants were drawn from the six geo-political zones of Nigeria as well as the diaspora who came with their expectations. As early as Thursday, December 12, 2024 reports indicated that all the hotels around the vicinity of ZPMO were fully booked by Zionites who came from different parts of the world. Thank God, the three-day programme was streamed live in various social media platforms-YouTube, Instagram, Facebook, TikTok. That was the magic for assisting the seemingly uncontrollably crowd that thronged the venue of the once-in-a-year religious festival of a sort. Voice of Zion notes that the security personnel of the ministry in collaboration with the state's security outfit lived up to their professional trainings. As early as 5am on Friday, there was palpable fear that the accompanying vehicular and human traffic was going to overwhelm them and cause possible stampede. But thank God, who made it possible to

avert any sad incident before, during and after the ceremony. A commentator succinctly said, "God of Zion is not an author of confusion. He was and still on the throne to peacefully control His affairs in an orderly and peaceful manner".

Mrs Idowu Lanre, a Zionite added, "That explained why despite the current insecurity in the country, Zionites who came from the far Eastern, South South and Northern parts of the country had a hitch-free ride to and fro for the Odeshi 2024.

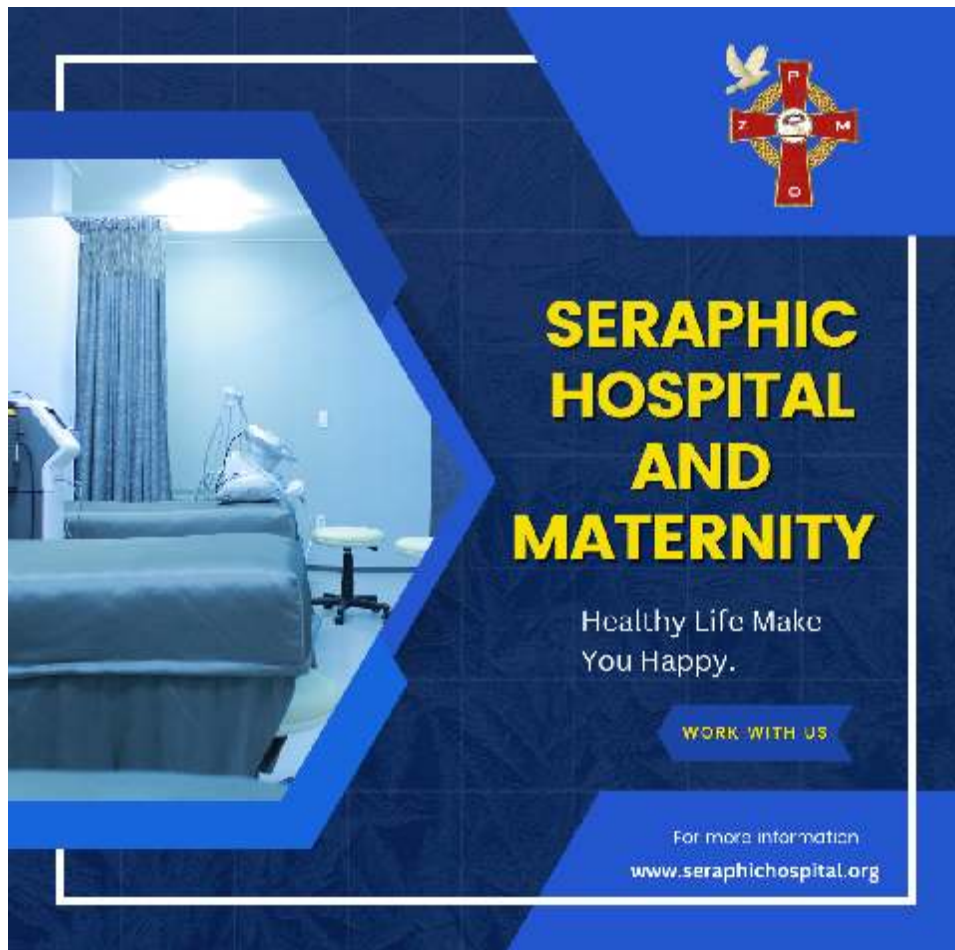

MINISTRY OF TESTIMONY: The breath-taking testimonies of the previous editions of Odeshi was evidently surpassed in 2024. That in the main, explained why the last literally turned ZPMO into a "ministry of testimony" "The ministry's auditorium overflowed and all the adjoining streets to the Zion ground were filled to the brim with Zionites and hopeful ones who came, anxiously

seeking God and seeing Evangelist Ebuka Obi, the spiritual director of ZPMO, at work with the instant solutions to spiritual challenges And they were not disappointed. The anointing of the Holy Ghost greatly manifested and heavily descended upon the believers. There were lots of preachings and deliverance sessions, during which many souls were converted to God and many released from the stronghold of evil powers and bondages. Voice of Zion notes that many holy mantles and sacramentals were available for sale to those whose belief in their efficacies remain unshakable. Spiritual books, Seraphic oil, Seraphic Water, Seraphic Candles, Odeshi handkerchiefs, vests and broaches as well as calendars and stickers were available for those that have faith. And there were mind-boggling testimonies of the miraculous use of these holy items. For example, during the programme. There were many testimonies of how the use of

blessed Seraphic Oil and Seraphic water healed illnesses, restored bad sight and many medically incurable ailments. The use of Odeshi handkerchief also saved many Zionites from imprisonment and business misfortunes. Many equally experienced business breakthrough, unexpected favor with the use of the sacramentals of Zion ministry. According to Mr Richard Okafor, "As a zionite, the use of Odeshi handkerchief and seraphic water has boosted my business". He said that as a result, he gives them to loved ones who have always appreciated their spiritual potency. There are invaluable treasures to my loved ones more than edible items as Christmas and New Year gifts", he added.

SIDE ATTRACTIONS: Throughout the Odeshi period, Okada and keke operators had sleepless nights. Some of them who spoke to Voice of Zion confirmed that it was a period for brisk business for the diligent riders and drivers. "I made in a day the amount of money I was making in three days", Mr Abubakar Ahmed an Okada rider told us. With the full reservations of hotels around Zion ministry, visitors from far distance arrived late, oftentimes booked many of us for drop for days to take them to and fro the venue wherever they lodged outside the vicinity of the venue. Many small scale food vendors were available on daily basis with lots of local and intercontinental delicacies for sale at relatively cheap prices. Of course, many shoe and dress sellers converted the Zion Avenue into a Christmas / New Year bonanza sales. Mrs Vera Efe a seller said, "there were many local delicacies on sale to enable Zionites unwind after the day's spiritual diet." They expressed unhappiness that Odeshi 2025 would henceforth take place in Ngor Okpala in IMO state, the new headquarters of ZPMO.

Zion Ministry Agog As Zionites Hold Crossover To 2025

• *Evang Ebuka Obi tasks Christians on vow keeping; makes prophetic declarations*

Zionite at the Crossover Night in Lagos

By Kenneth Madueke

The December 31, 2024 crossover to this New Year was celebrated with pomp as about 2.5 million Zionites and hopefuls physically converged in Zion Prayer Movement Outreach (ZPMO) in Lagos state for the annual festival.

Presided over by the Spiritual Director of ZPMO, Evangelist Ebuka Obi, the colourful event which started around 9:30pm on Tuesday, December 31, 2024 ended by 6:20am on January 1, 2025.

The night of prayers, ministration, singing and dancing, deliverance and yearly declarations was streamed live on different social media platforms for the benefit of diasporans and those that were unable to be physically in the sanctuary.

VOICE OF ZION notes that the human traffic to the carnival-like occasion, which stretched from the Oshodi/Apapa expressway by church bus-stop via the wooden 'Kpako' bridge was spectacular.

By 12:30pm on Tuesday, zealous Zionites were already seated in the auditorium,

prepared to tap into the expected blessings from the Evangelist while the security agents had tough times in controlling the intimidating crowd that eventually took over the ministry's auditorium and its three overflows and adjoining streets.

MINISTRATION AND DECLARATIONS

The entry of the Evangelist to the altar was welcomed with thunderous excitement from the four corners of the streets, that were filled to the brim by Zionites and lovers of the ministry and its Spiritual Director.

Evangelist Ebuka Obi's ministrations centered on vows to God, the need to keep covenant and inherent blessings and favor from God.

Describing Vow as a binding covenant or agreement between God and humanity, the Evangelist quoted profusely from the holy Bible to buttress the efficacy of making vows and keeping same for endearing blessings.

He started from Jacob's vow to God as recorded in

Genesis 28:20 through the Lord's vow with Moses (Exodus 31:12-13) to Deuteronomy 28:1-2 (The blessings of obedience to such agreements).

The Evangelist further referred to Exodus 31:12-13 (sabbath's day covenant),

According to him, "God keeps His covenant from generation to generation", adding that once a vow is made, temptations usually come from satan to sway it from being obeyed.

He said that it is the duty of the Christian that has entered into such a Covenant with God to emulate Jesus Christ during temptation by being equipped with biblical quotations to successfully challenge the devil.

through Hannah's vow on male child (1 Samuel 1:11) to Jeremiah 31:33 concerning Covenant between Israel and the Lord, to substantiate the workability of vows that are obediently kept.

According to him, "God keeps His covenant from generation to generation", adding that once a vow is made, temptations usually come from satan to sway it from being obeyed.

He said that it is the duty of the Christian that has entered into such a Covenant with God to emulate Jesus Christ during temptation by being equipped with biblical quotations to successfully challenge the devil.

The midnight of December 31 was the climax of the holy gathering as deafening shouts of 'Happy New Year' rent the air, punctuated by intermittent singing, dancing, trumpet and knock out blows, to the excitement of the young and old in attendance

By the time the Evangelist resumed, it was another testimony galore, followed with deliverance for instant solutions to spiritual challenges even as many gave

their lives to Jesus Christ

Then came the period for prophetic declarations after a review of the previous year's own which exactly came to pass as many Nigerians experienced harsh economic problems in 2024

But in 2025, Evangelist Ebuka Obi declared that Zionites shall escape whatever challenges that may come up in the New Year as spirit of God will work in their favor.

He, also, declared that the enemies of believing Christians shall go down in the New Year in Jesus name

"The satanic powers that want to stop zionites shall be stopped instead in Jesus name", he further declared.

As the new year comes with joy, there shall be restoration from failure to success, cancellation of negative decrees against Zionites as ZPMO will blossom all over the world; he stated

Evangelist Ebuka Obi, therefore, tasked Christians to remain steadfast in the Lord and his worship as well as enter into an enduring covenant and keep to them for fruitfulness.

Man Healed Of Blindness After Location At 'Open Heavens'

An Italy-based Nigerian, Mr Chigozie Onwumedu, instantly got his bad sight restored by God after the Spiritual Director of Zion Prayer Movement Outreach, Evangelist Ebuka Obi, located and prayed for him during the Night of Open Heaven.

Mr Onwumedu from Mgbidi in Oru West Local Government Area, Imo State, shared his testimony at the praying ground of the ministry in Lagos.

According to him, he woke up one night with a serious eye problem that got worse with each passing day.

He went to different hospitals to seek for medical assistance, but doctors ended up recommending the

use of glasses for him. However, this did not solve the problem.

He found it difficult to drive with his deteriorating bad sight. Doctors even told him later that his case was approaching near blindness.

But succor soon came his way when Daddy Ebuka Obi accurately mentioned his name and case during one of the programmes in Nigeria. He revealed that the issue was a spiritual attack and prayed for the man's deliverance.

Mr Onwumedu confirmed that the moment this happened, the prescribed glasses he was wearing miraculously fell off and instantly his sight was restored and he now sees properly.

14 Years Of Childlessness Broken At Zion Ministry

After God's intervention at Zion Ministry through Daddy, an Angola-based businessman and wife, Mr and Mrs Elochukwu Ojiako, (+244938703254) from Isuofia in Aguata Local Government Area of Anambra State were blessed with a baby girl after 14 years of barrenness.

The couple who gave their testimony recently stated that their story of childlessness started after marriage in 2008.

In the process, Mr Ojiako said that the family spent a lot of money and effort searching for the fruit of the womb, including carrying out three failed In vitro fertilization (IVF) procedures.

But along the line, they heeded people's advice to approach Zion Ministry for spiritual assistance. They joined online and

later started to participate physically in its programmes.

Popularly called 'Alhaji Isuofia', Mr Ojiako was lucky to be located by Daddy Ebuka Obi at a Sunday service in October 2022 in Lagos during which their cause of barrenness dating back to the event of January 5, 2009, was revealed to them.

Evangelist Ebuka told them that on their wedding day, the man's manhood was spiritually demobilized. The prophecy led to the couples' temporary relocation to Nigeria for spiritual cleansing which involved intensive fasting and prayers in the ministry that lasted three months.

It was during this spiritual sojourn in ZPMO that God blessed them and the pregnancy resulted in their bundle of joy which was delivered on October 18, 2023.

Unjustly Detained Udeze Released From Kuje Prison

One Mr Ikechukwu Udeze who was unjustly arrested by the Nigeria Police and detained for over three months in Kuje prison, Abuja, was recently released following God's intervention through Daddy Ebuka Obi.

The man who gave the testimony in the company of his wife and his daughter in Zion narrated how the Police arrested and detained him in prison for a case that he did not know anything about.

As a result of the unfair treatment, the wife who is a Zionite took the matter to God and engaged a lawyer to secure her husband's release.

Despite the best efforts of the lawyer, her husband remained in prison, as the case was not assigned to any court let alone given date for hearing.

But the mercy of God worked for the family as the Spiritual Director of Zion during Open Heaven of December 4, 2024, surprisingly mentioned the detainee's name and case, and prophesied his release.

Exactly two days after the prophetic revelation, when the wife and the lawyer went to the police station, the husband was released on liberal bail conditions, while the case file was immediately assigned.

Lady Saved From Ritualist, Gets N1m Gift From Daddy

An Akwa-Ibom lady, Miss Eno Etong, from Ikot-Ekpene received a 1million naira cash gift from the Spiritual Director of Zion, Evangelist Ebuka Obi, for agreeing to stop her old lifestyle of "hook-up" to follow God.

Located during Sunday service in Lagos recently, Evangelist Ebuka advised her to immediately move out of the guesthouse where she lived with other girls to avert imminent death in the hands of a ritualist on December 14, 2024. The lady, a hair stylist, said that she was lured into the hook-up business because of poverty, frustration and economic hardship.

She promised to abandon the dirty lifestyle she had lived for years without achieving anything and embrace Jesus Christ as her Lord and Saviour.

Daddy advised her to hold tightly to God, work for Him and get enduring marital settlement.

The Seraphic Foundation, the social responsibility arm of ZPMO, was asked to take over her case for proper guidance on the path of salvation.

Couple Blessed With Child After Years Of Miscarriages

The family of Mr and Mrs Igwegbe Ukaonu Izuchukwu recently shared their testimony of the gift of a baby girl after years of unexplained miscarriages.

Mr Izuchukwu, from Umujeke Umuobom in Ideato Local Government Area, Imo state, said that the several miscarriages his wife had from July 2019 when they got married pushed them to Zion ministry.

According to him, when they visited Zion during the Covid-19 lockdown, they were able to meet Evangelist Ebuka Obi, who prayed for them and made them to undergo a deliverance programme. That strengthened their faith in the God of Zion ministry and they kept on following the programmes both physically and online.

However, on the second day of 100 days of fasting and praying in 2022, Daddy eventually located them with accurate prophecies during Open Heavens. He stated that it was a turning point in their marital and business lives as the curses on them concerning childlessness as well as "rising and falling" were revealed and reversed.

And the instant prophecy of getting their own baby came at the appointed time to the glory of God of Zion ministry, he said.

So, he came with the wife and new born baby for dedication, dancing as had been prophesied by Evangelist Ebuka. He also revealed that his business had experienced a positive turnaround.

Prayer against hijackers of blessings and prayers

Lord, in your name I stand to pray; in your name I stand to battle! In your name, I stand to fight, in your name, I go to war and declare your power and might to every force and evil power that originates from darkness. Greater is Jesus in me than every power of darkness. "And if the Lord be for me no power will be against me." This is your word in Romans 8: 32.

Father! You are the head of principalities and powers. I stand as a co-heir with Jesus to declare war on every kingdom monitoring my prayers now. Any spirit sent to hijack my blessings from any kingdom, prince of Greece, prince of the air, prince and queen of the coast, spirits in the evil rocks and mountains, spirits of the forests, evil forces in charge of my environment, powers and forces from my father's or mother's lineage, local and international demons, prince of Persia of Daniel 10 and all evil powers that originates from darkness, I command all your missions to be frustrated by Holy Ghost fire and I bond you all in Jesus name. Amen.

I command you in the name of Jesus Christ to release any of my blessings you have caged, hijacked and seized. Amen.

Release it now in Jesus name. Amen. (3 times)

O Lord! You commanded the fish in Jonah 2: 10 to vomit Jonah and it was so. And your word also says in Jeremiah 51; 44, 'that you will take out of the mouth of Satan what he has swallowed'. By the power in the word of God all you evil powers, spiritual or physical that have swallowed my blessings, I command you by fire to begin now to vomit whatever you have stolen from me in Jesus name. Amen.

And it is written in Proverbs 6 : 31 that when a thief is caught, he must pay back seven times what he has stolen. By your word Lord!. Any of my blessings stolen, he restored seven times in Jesus name. Amen. My joy be restored seven times in Jesus name. Amen.

My destiny be restored seven times in Jesus name. Amen.

My peace is restored seven times in Jesus name. Amen.

My glory be restored seven times in Jesus name. Amen. My health be restored seven times in Jesus

name. Amen

My womb be restored seven times in Jesus name. Amen.

My vocation be restored seven times in Jesus name. Amen.

My business be restored seven times in Jesus name. Amen.

My knowledge be restored seven times in Jesus name. Amen.

My career be restored seven times in Jesus name. Amen.

My marriage be restored seven times in Jesus name. Amen.

My money be restored seven times in Jesus name. Amen.

Father let your blood begin to speak in the air, land, water, forest and let any of my prayers and blessings hijacked in any kingdom be restored to me in the mighty name of Jesus. Amen. And Amen. Amen!

Marriage Is Your Destiny, It Entails Sacrifice

By Prisca Ikebude

Marriage as ordained by God involves huge sacrifice from both the wife and husband. Sacrifice is the offering of something that is precious to God or somebody. In the Bible, the Israelites offered burnt sacrifice to God for the atonement of sin but the coming of Jesus Christ changed all that

In marriage, the husband/ wife needs to offer himself/herself, pleasures and pastimes to the interest and welfare of the partner. God created male and female, blessed them and said unto them to be fruitful, multiply and replenish the earth

They should subdue it and have dominion over the fish of the sea and the fowl of the air and over every living thing that moves upon the earth, Genesis 1:27- 30.

HOW DO WE MULTIPLY AND FILL THE EARTH?

It is by marriage as ordained by God, Genesis 2:18- 25. In Science, lower animals and plants are created male and female so that they can reproduce sexually without marriage. Husband/ wife, the moment you say, I do' in presence of God and man in the church on your wedding day, you have entered covenant with God and man. You need to guard it jealously, protect and nurture it because you will give account to God someday. Your marriage is your destiny; it is your inheritance. It will give rise to a peaceful and loving home, a glorious family, a Church and a better society if it is consummated on the bedrock of Christ. Glorious children and soldiers of Christ will emerge from your family.

HOW DO YOU ACHIEVE THIS?

Firstly, wife and husband must have relationship with God and learn how to pray together. They should commit their marriage into God's hand for direction and intervention.

Secondly, wife should as much as possible avoid indecent dressing because you are now married. Your dressing is your address. You must dress to please God and your husband and not yourself. Proverbs 18: 22 says that "Whosoever findeth a wife, findeth a good thing and obtaineth favour of the Lord. Husband, you have found a good thing, the gift of your wife is the best thing that has happened to you. So, you must keep it and cherish her in order to find favour from God. Proverbs 20:6-7, most men

will proclaim everyone his own goodness, but a faithful man who can find? The just man walketh in his integrity, his children are blessed after him. Husband, stand upon this word of God, meditate upon it, walk in integrity for the sake of your family and children'. There must be no cheating in marriage by either of the spouses. Do away with old lovers, ex-boy and ex- girlfriends the moment you marry and stick to your spouse. Hebrews 13:4 says that marriage is honorable in all and the

bed undefiled but whoremongers and adulterers, God will judge. Wife, you must aspire to be a virtuous woman to your husband and obtain the glory of God. Proverbs 12:4 says, "A virtuous woman is a crown to her husband, but she that maketh ashamed is as rottenness in the bones. You are a crown to your husband, do not desecrate it. You must learn to be a prudent wife to your husband so as to give him joy and peace of mind. Do not borrow. Proverbs 19:24 says that husband's riches are the inheritance of fathers and a prudent wife is from the Lord.

In marriage, love and respect supersede all the duties and responsibilities of a husband and wife. God ordered a husband to love his wife while the wife must be submissive or respectful to the husband. It is God's commandment. Once there is love, then respect follows. It is natural in all human relationships. You do not respect who Does not show you love. Ephesians 5; 22-33, it says that your sacrifice to your wife is to show her love and cherish her, appreciate her, value her effort and treat her kindly

Be satisfied with your wife. Proverbs 5: 18-22 says let your fountain be blessed and rejoice with the wife of your youth. Let her be as the loving hind and pleasant roe, let her breasts satisfy thee at all times and be thou ravished always with her love. Brethren, marriage is a blessing. The word of God says, that the blessings of God maketh rich and added no sorrow. Your marriage, your family, lovely wife and children are part of the blessings of God. Avoid strange women. Offer much sacrifice to make your marriage work. If you have any difficulty or challenge in your Marriage, give your life to God, have a personal relationship with him, seek him, invite him into your marriage. Avoid divorce for God hates it. What God has joined together, let no man put asunder. Shallow!

Zion Ministry, The Sanctuary To Be In!

By: Kenneth Madueke

“That on mount Zion there shall be deliverance and there shall be holiness and the people of Zion shall possess their possessions” - Obadiah 1:17.

This is the best time to ask and answer pertinent questions about your life. As a Christian or non-Christian, have you discovered yourself?

What is your vision in life? In Proverbs 29:18, it is written, “that where there is no vision, the people will perish”. What plans have you set for yourself this year? You need to commit the same into God's hands. You must locate a Bible-believing ministry and a credible servant of God for necessary spiritual advice. That is when you need the Zion Prayer Movement Outreach (ZPMO) and its spiritual Director, Evangelist Ebuka Obi.

There is hardly any human challenge in diverse areas of life - health, business and politics, among others -

that is not firmly rooted in spiritualism. This realisation has pushed many people to the precipice. Some abandon their creator to seek help from smaller gods only to find out that their problems persist. Some suffer huge financial and physical losses, while some even get destroyed in the process. But those that seek help from God and genuine prophets have continued to do exploits.

This explains why Zion, a non-denominational prayer ministry, has fast become a fertile ground for God's blessings, mercies, favour, grace and restoration. It is a place where God uses Evangelist Ebuka Obi to reveal problems and solutions to them. The weekly programmes of Zion ministry, Pregnant /Awaiting mothers (Tuesdays), Prophetic Adoration (Wednesdays), General Fellowship (Sundays) and Open Heavens (online every night), have continued to record thousands of miracles for believers.

On a daily basis, prophecies with instant solutions, authentic and verifiable testimonies taking place in the ministry stand it out as a unique sanctuary for faith-filled Zionites and hopeful ones. An astonished commentator recently quipped, “Accurate prophecies about persons and events as well as solutions to them” separate Evangelist Ebuka Obi from his peers. His pin-point prophetic powers can only be seen in born-prophets unlike what happens at prayer grounds with questionable sources of prophecy, he added.

Those in need of deliverance, solution to health challenges, job promotions, success in business and even in politics have their prayers answered at ZPMO. Over the years,

uncountable number of people have shared testimonies of business and life restoration. It is the only known non-denominational ministry that draws most of its teachings and belief from the doctrines of the Catholic Church, the saints and prophets of old. Through ZPMO, God has truthfully rewritten sad stories, fulfilled destinies of believers and added value to people's lives. As a limit breaker, God has continued to turn disappointments to divine appointments; labour to favour; sweat to sweet; mistakes to miracles, pain to gain; troubles to trophies; zero to hero and failure to fame. As it is written in Psalm 18:16, “the Lord shall draw me not of many waters”. Year 2025 promises to be spectacular as God will use Evangelist Ebuka to prepare Zionites for territorial domination, to pursue, overtake, and possess their possessions.

His undiluted Bible teachings and preachings have exposed Zion members globally to the stark truth of Christendom. He is one of the few servants of God who have openly and boldly preached against the use of ill-gotten money as offering to God. Recently, he banned such offerings from fraudsters, robbers, kidnappers, ritualists, prostitutes and the like, and advised those involved in such crimes to repent and give their lives to Christ. The ministry frowns against the craze for materialism, and no special attention is given to the rich who come for spiritual assistance.

Today, Zion ministry has become a reconciliation place for broken relationships and homes, Favour, Grace and restoration. It is the place to be as we march on in 2025. Zion We Move!
